 SMARTSPACE
WEB

CLASS A LIVING AT A GREAT PRICE.

The new 2007 Itasca Sunstar® makes owning and enjoying a Class A coach more affordable than ever. The full-featured Sunstar combines SmartSpace™ design elements, which make the most of available interior space, with stylish amenities like beadboard cabinet doors with satin nickel hardware. You'll live large during your travels with a slideroom, 24" TV and a queen-size

bed. Plus, it has an abundance of storage for your gear, including a large compartment under the bed with access from the exterior rear or passenger-side door. The Itasca Sunstar is your ticket to the comfort and convenience of the Class A lifestyle.

- The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
- Sunstar floorplans feature a wide-body design – over 96" in making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
- The load capacity of your motor home is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motor home.
- Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
- Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
- Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
- See separate chassis warranty.
- See your dealer for complete warranty information.
